

August 17, 2012

Below are anticipated construction activities for the week of 8/20/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at

<http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.

Restrictions may be in place on Indiana Avenue from 10th Street to 16th Street while streetscape improvements are underway.

Restrictions may be in place on the following streets while resurfacing and curb and sidewalk work is underway.

- Gladstone Avenue from 34th Street to Colorado Avenue
- Tuxedo Street from 10th Street to Brookside Parkway South Drive

Restrictions may be in place in the Lockerbie Neighborhood, bounded by Pennsylvania Street to the west, St. Clair Street to the north, Davidson Street to the east, and Ohio Street to the south while curb and sidewalk work is underway.

- Calvary Street from Virginia Avenue to Shelby Street
- Greer Street from McCarty Avenue to Buchanan Street
- McCarty Street from Noble Street to Virginia Avenue
- Minnesota Street from Kennington Street to Leonard Street

Restrictions are in place on Delaware Street from McCarty Street to South Street. The contractor has switched traffic to the newly paved two eastern lanes of Delaware Street and will be working in the three western lanes. A taper at the north end of this project will transition the two eastern lanes of traffic to the two western lanes of traffic just south of South Street. The

project to the north of this one will switch that traffic to the two eastern lanes and will be on going.

Restrictions are in place on Delaware Street from South Street to Maryland Street. Traffic has been moved to the two western lanes in this area and will continue in this setup until approximately August 14. At that time traffic will be switched to the two eastern lanes from just south of South Street to Maryland Street. **South Street from Pennsylvania Street to East Street is closed. Local access from East Street to Ogden Avenue on South Street will be maintained and continue set up until late August**

Restrictions may be in place on College Avenue between 28th Street and East Fall Creek Parkway North Drive while bridge railing repair work is underway.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at <http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.

Restrictions may be in place on Morris Street from Meridian Street to East Street while work is underway.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are now in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Expect more congestion in this area for the next couple of weeks.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes. The contractor is currently working on the south side of Washington Street placing new signal indications and pedestrian indications. Work on the north side of Washington Street on the Trail is underway with a trench drain being placed from Senate Avenue to West Street.
